

CV Services 4U

We will articulate your abilities, qualifications and experience.

Our Promise to you.....

A CV or Job Application that will stand out - expertly written and designed to get you noticed!

A personalised, highly effective targeted document that will positively reflect your experience, skills, talents, potential, and importantly your achievements

Industry targeted CVs / Resumes - 100% suited to your future job responsibilities

Our CV Service will exceed all Job CV and Resume services you may have considered using.

How it works.....

Visit our website – www.cvservices4u.co.uk

Browse our comprehensive portfolio of services: Entry Level, Graduate, Intermediate Professional and Senior / Executive level CV writing, along with Job Application assistance and Interview Coaching services.

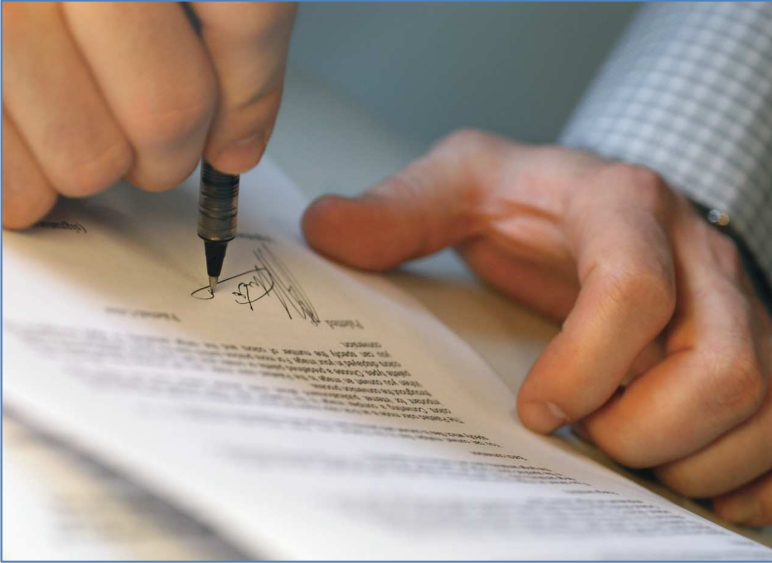

Decide which package suits you best – process your order via PayPal – we accept all major credit or debit cards. If you have a PayPal account then our Express Checkout is ideal. Following receipt of your order a consultant will initiate contact and begin the information-gathering process. Discuss your goals with your consultant (email or telephone).

Once all supporting information is provided we'll commence work on your project, with your expertly written draft(s) sent via email for your subsequent perusal. MS Word and PDF copies provided.

Following approval, begin to circulate your new marketing tools, watch your interview rate soar, and following a successful interview process, land your next job!

Top reasons to order from us.....

We get results! - Many customers simply can't believe it; our ability to get you noticed has been proven time and time again – please read a selection of our testimonials; www.cvservices4u.freeindex.co.uk

We ensure your CV or Resume is bespoke and targeted; we don't write general applications that simply do not yield results!

Our CV / Resume Consultants have 20+ years' experience in the Recruitment Industry themselves.

We deliver a High-Quality, Affordable Service that has satisfied customers across the UK, US, Europe, Africa and Asia.

We know what employers' are looking for. We know what works and what doesn't.

We have consistently secured career moves for job seeker's over the last 11 years.

We do not use templates or CV building software's - all applications are hand written and in-turn typed!

We are skilled in writing CV, Resumes and Job Applications for the following job sectors: Customer Services, Engineering, Finance, Health Care, Accountancy, Marketing, Insurance, Food and Catering, Administration, Retail, IT, Education, Building and Construction, Sales, Marketing, Manufacturing, Management, Transport and Logistics, Graduates, Social Care, Manual Non Office job sectors and many others.

Our sole mission is to help you realise your full potential, save you the time and endless hassle, and write marketing tools that are far from being general; ensuring the CV or job application is relevant and targeted to the job advert or person / job specification.

A personal touch is our 100% guarantee.
Make that valuable investment in your Career TODAY.
