Welcome

Thanks for taking time to consider us for your event. We know that there are a lot of fantastic companies out there providing similar services to us so we don't take your enquiry for granted. We welcome the opportunity of working with you on your event.

Our business remains true to it's core...

We are planners first and foremost, caterers through and through (it's where our founder started out) providing you with an efficient, professional and expert outside event planning company.

Planning Events

We work on a variety of projects every year. Our offices are based, north, south, east and west of London. The event planning team (head office) bring years of professional event planning expertise to your event. Working with known Brands, Independent Businesses or Start-ups.

We work with every client from start to finish so you have the opportunity to communicate exactly what you need with your dedicated planner all the way through the event.

Our catering unit is based in the heart of the Surrey Hills set amongst other dynamic small business units creating wonderful menus for every client event whether it's a milestone celebration, a wedding or a corporate function.

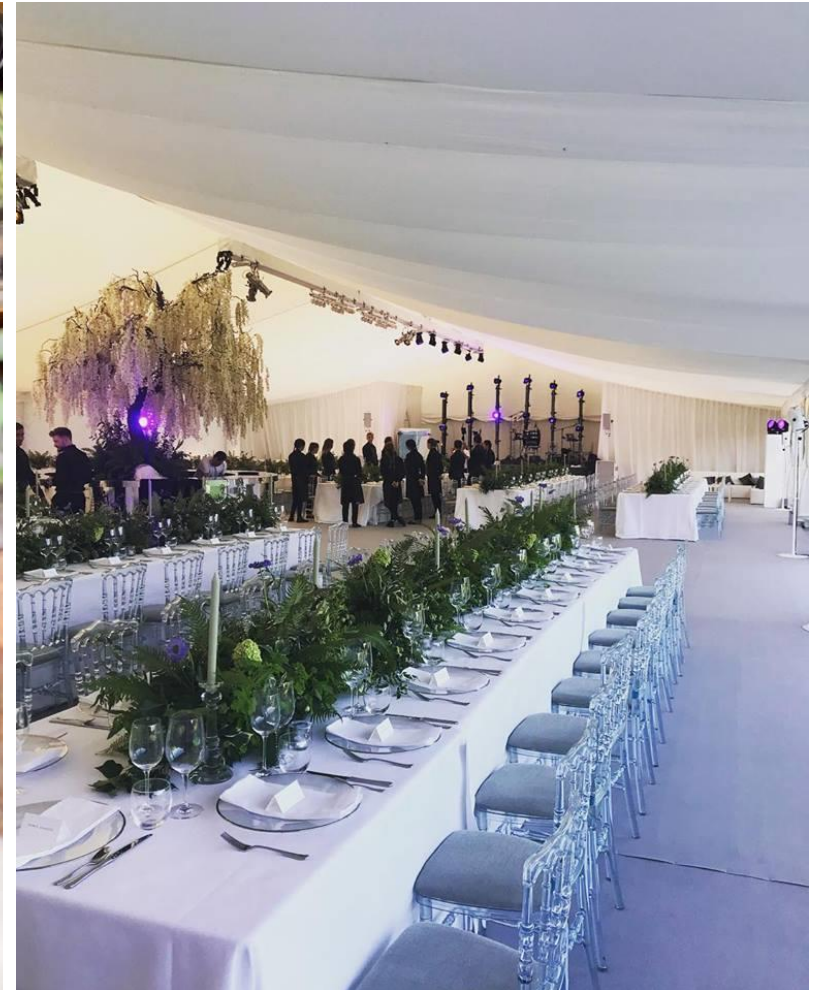

Our marquee partners service the whole of the South East. Providing, Tipis, Stretch Tents, Clearspan, Traditional, Poled, Sailcloth...Gazebos and Chinese Hats...without them...well it's not worth mentioning!

Catering

Corporate Events – Canapes, Bowl Food, Charcoal BBQs, Business/Directors Luncheons...

Product Launch & Special Events

Venue Finding

Over the years we've worked in so many diverse venues and locations. We offer the service of venue searching and recommendation for our corporate clients free.

Planning

Personalised Planning for Parties, Weddings & Corporate Events.

Overview of Planning

We care about our clients and treat each event with personal attention. When you book your event with us, your dedicated planner & manager will be on hand to provide you with the utmost attention so that your experience with our business is second to none.

For your event planning, this includes:

- ✧ Event planning and advice
- ✧ Supplier management (on setup and strike out)
- ✧ Budget management on your behalf from start
- ✧ Ideas and concepting with you into progression
- ✧ Catering service
- ✧ Bars and staff management
- ✧ Onsite management on event

Personal Commitment

“Our services are consistently presented to suit every individual client’s needs. What we want is to provide total customer service, from the moment we meet with you to discuss your event, right through to its completion”

It is a very personal relationship we bring to your table, but we do so with the utmost passion about our performance and commitment to you, our client.”
