

# LEARN AND QUALIFY FROM HOME WITH

## Turn home working into home learning and qualifying!

Our digital portfolio can help keep you and your colleagues on the right foot during the COVID-19 crisis. We can offer learners, even those in isolation, our complete 3 step **Remote Qualify** suite.

### The 3 step 'Remote Qualify' suite

**Remote delivery** - via a recognised video conferencing platform.

**E-assessment** - officially regulated assessments on your own PC.

**Remote online invigilation** - regulated exams at your own convenience.

## Features and benefits

- Learn and qualify from home, wherever you are, whatever your circumstances
- Continue with your learning and upskilling without interruption from COVID-19
- Regulated exam conditions set out by Ofqual, in your own home

## What you'll need

## Setting up is easy

The whole process takes just **5 minutes**, with our expert staff on hand to support.

## Supporting your business through CORONAVIRUS

**We can keep your learning on track!**
