

# CUSTOMISED BAGS

## DID YOU KNOW YOU CAN CUSTOMISE ANY OF OUR BAGS?

As specialists in promotional bags with long, on-going relationships with our Far East factories, we can offer customisation to all the bags in our collection.

Add your pantone® colours, bespoke edge to edge printing, make the handles longer, add another zipped pocket... have it your unique way! Our experienced team can work with you to switch it up and create the perfect promotional bag for your requirements.
