A GUIDE TO YOUR

Wedding Day

ENTERTAINMENT

www.waynefarrow.co.uk

Two typical arrangements for your Special Day.
(Times are approximate & can be totally flexible)

I always like to meet up prior to your big day at your home or a place that's most convenient, to discuss and tailor the evening around you.

I always remember it's your day and if you and your guests want a specific playlist for the evening then I will work together with you on this.

Three sets of quality live singing to entertain everyone at your evening party, with songs for everyone. You will have an experienced Wedding Singer, DJ and Compere who is organised, professional and last but not least very flexible.

A FEW REVIEWS...

What a truly amazing, professional, down to earth person who is much more than a singer. You made our wedding day extra special, putting everyone at ease, getting even the shyest of people up dancing and having a great time. We have received so many compliments about you and how people were blown away by your performance. We cannot thank you enough for helping to make our day magical, we were ecstatic with how you sang our wedding song so personal and intimate. We have been recommending you already to everyone we speak to. No wedding would be complete without the company of Wayne Farrow! A HUGE thank you

Mr & Mrs Martin

If you are hesitating about booking a wedding singer then don't hesitate any longer and book this guy! He is totally fantastic.

I was worried that our small intimate wedding meal would be quiet, flat and almost boring as we had already celebrated our wedding in Mauritius. We were celebrating with family (some elderly) and our close friends in a small private dining room at Mitton Hall in March 2013. Wayne sang to our guests as they arrived and whilst we enjoyed canapes and champagne. He made everyone feel in the party spirit with a mix of fabulous songs! Wayne played music and sang throughout our meal which was lovely and made everyone relax. Everyone was up dancing and singing by the end of the night. It was perfect and better than we could have imagined. Wayne is a great guy, a fantastic performer and I can't recommend him highly enough. Well done and thank you Wayne!
