

THE POWER OF PAPERLESS

*Receipt Bank's mission is simple: no more paper. No more manual data entry.
Just more time on your hands to focus on running your business.*

6 benefits of cloud-accounting

DOCUMENT MANAGEMENT

You can submit receipts and invoices on the go, as soon as you receive it.

MOBILE BUSINESS DATA

You can send data to your accountant in real-time, anytime and anywhere. It's quick, simple and convenient.

EXPENSE TRACKING

Your accountant will have real-time data from your business throughout the month, allowing you to claim expenses more accurately and reimburse on time.

DISASTER PROTECTION

All documents are stored and managed securely in the cloud.

AUDIT PROTECTION

Access an easily searchable, downloadable record of all transactions and corresponding documents.

FRAUD PROTECTION

All transactions are displayed in one central location, making it easier than ever to identify these incidents
