Your RACENIGHT Programme

Good evening,

Welcome to this Racenight. We hope you have an enjoyable and profitable evening, and if you have not been to a Racenight before this is how it works:

We will be presenting several racing films this evening each with eight runners numbered 1 - 8. You will be invited to purchase a tote ticket on what ever number you think will win the race. There is no limit on the number of tickets you buy, and of course the more bets you make, the better your chance of backing a winner. When all the bets are made the film is shown, and the winner will be clearly displayed on the screen at the end of the race. If you have a winning ticket you may collect your winnings from the pay-out desk, then the tote is re-opened so that you may place your bets on the next race.

That, simply is it! We hope you have a great evening, enjoy yourself, and the very best of luck!
