Hi There,

It's Jonno from 'Snowdonia School of Motoring' here, I hope that passing your driving test with me has been an invaluable skill in your busy lifestyle to give you your much-deserved freedom and helping you get around socially and workwise.

I was wondering if you could do me small review on the web 'Freeindex' directory?

It's very easy and wont take up to much of your time, the more reviews I get, the better position 'Freeindex' will position 'Snowdonia School of Motoring' in their internet directory!

When you hit 'Send' after submitting your review, 'Freeindex' will send you an email requesting you to 'Validate'. Once you validate, your review will then become live, and I will get your vote... Simple!

I genuinely appreciate your help
